Garfield House, etc.venues Marble Arch

Thursday 16th June 2016
08.45hrs to 13.00hrs

Recruitment agencies and umbrella companies are becoming increasingly confused by new tax changes imposed by the government from spring 2016 - and yet more changes expected for 2017. This half day seminar is designed to clarify the new tax laws and provides practical advice to help businesses understand their obligations and how to protect against risks and liabilities.

Let's Un-Confuse Tax.

A plethora of recent changes to tax law and introduction of new tests to SDC has resulted in confusion arising from new models and changes to existing ones. This seminar from recruitment industry legal and compliance specialists Lawspeed, dispels the uncertainties surrounding:

- **Agency Tax (Section 44-47 ITEPA)**
- **Construction Industry Scheme (CIS)**
- **Travel & Subsistence Expenses**
- **Managed Service Companies (MSC)**
- **IR35**
- **VAT and Other Limited Company Models**
- **Public v Private Sector**
- **Offshore Companies**
- **Liability**
- **Which Contracts to Use**

Tax can be a dry subject - but businesses need to be aware of what to do. We promise a clear and practical programme and a morning well-spent.
